Preview Call #1 - Action Guide

1. Why did you start your first Breakthrough to Success training?

2. Why is this "experiential" training different than other trainings?

3. Why do you allow participants to use the materials in the BTS manual and hold their own mini-workshops? _____

4. Why are only 400 admitted to the event? Why a 7-day event?

5. Why can't the BTS material be taught virtually via teleseminar and get the same results as the in-person live event? _____

6. Who are the ideal candidates to attend the event? _____

7. Why is it so important to attend this BTS with a loved-one, spouse or business colleague versus attending alone? _____
